b. A Review of Assignment and Use of Automobiles, Station Wagons, and Chauffeurs (continued - completed)

Bulletin No. 54-1, dated August 7, 1953, from the Executive Office of the President, Bureau of the Budget, signed by Mr. Dodge, Director, calls for a report of the use of automobiles, station wagons and chauffeurs to be submitted not later than 1 October 1953. Oral instructions were issued to the Chief, Transportation Division, by the Acting Deputy Director (Administration) in the presence of the Chief of Logistics. Deadline dates were given for submitting the report. Since this is a special report and will be shown to the Chief of Logistics prior to transmitting it to the Comptroller, this item will not be reported again.

c. Use of Military Channels (new - complete)

At a conference with representatives of the Eastern Europe Division, representatives of the Transportation Division pointed out that shipments could be made more economically and more expeditiously

e. Promotion Action for Traffic Officer (new - completed)

At approximately 1700 hours Friday, 14 August, the ADD/A (Colonel White) informed the Chief, Transportation Division, by telephone that: A request for promotion of an employee now assigned overseas had been delayed in DDP; action should be expedited, and if Chief, Transportation Division, would get the file from ADD/A's office and give his comments, prompt action would be taken. On 15 August, Saturday, the Chief, Transportation Division went to the office of the ADD/A, reviewed the file and recommended to the ADD/A personally that [REDACTED] overseas be promoted from a GS-12 to a GS-13. No further action required by Transportation Division.

4. SPECIAL PROBLEMS

a. Return of Household Effects Without Prior Notification
(continued item)

No change. Further action on the part of the Transportation Division in this matter is withheld pending further information from the FE Division. The household effects belonged to employees transferred (PCS) from [REDACTED]

25X1A6a

25X1A6a

expedite the shipment and the [REDACTED] handling. However, a few days later, after appropriate action was taken to expedite the shipment, the WH Division placed a "hold order" on the shipment, stating that circumstances had changed and the vehicles may not be required at destination originally intended.
